WRTC helps teens with life skills that can help them to be a success in life and help with studying, confidence, interviewing, networking, presentation & selling skills. They will learn about graphics, advertising, marketing, engaging and selling. The program also helps them with goals, attitudes, motivation, enthusiasm and service. WRTC participants take part in OSBC training, speed networking, interviews, presentations and building websites. These websites can be utilized by them or their schools to provide information, homework, forms, lessons, career guidance events and much more. Fun events karaoke, singing, dance and more. Participants can earn as they learn as they plan and host events. The winners of the contest will get prizes for them and their schools. This training will take part over three weeks of the summer vacation on week days from Aug 10th 10am-3pm.
